

Sample AFM Pre-entry Form 2006

The pre-entry form below can be used if you lose or don't receive the official pre-entry card in the mail and you don't use the on-line pre-entry tool. There is also a form in the first part of the rulebook. Remember, ALL events are by pre-entry ONLY.

No pre-entries are accepted until the First Acceptance Date for each event (8am Monday, 4 weeks prior to the racedate). DO NOT send entries before that date. Pre-entries received before then will be folded, spindled and mutilated!! The Pre-entry Deadline is 5pm Friday, 9 days prior to the racedate .

Pre-entries received after the Pre-entry Deadline may be impacted by wait-lists or if too late, not accepted at all.. Absolutely NO late entries are accepted after 12 noon on the Wednesday just before the event.

All fees must accompany your pre-entry... either as check, credit card, MO or whatever.
